Time: _____

Date: _____

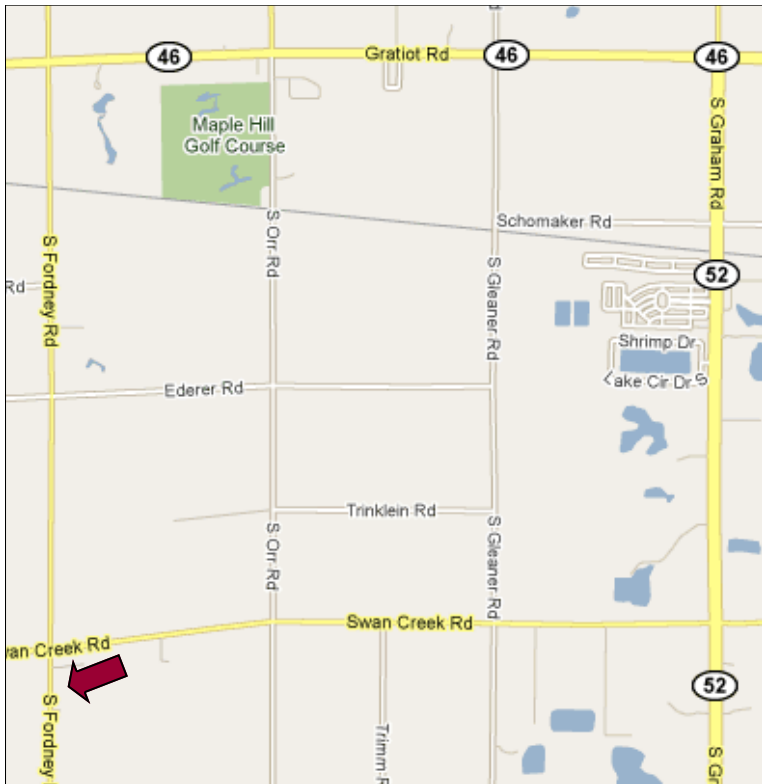

For: _____

You're Invited to a Party!

PAL Stables is your year round complete boarding and training facility with over thirty nine years of experience. We strive to offer a safe, friendly environment for families and individuals to interact with horses!

All participants in the riding party must wear long pants, shoes with a closed toe and heel and a riding helmet, which we provide. A release form must be signed, these can be down loaded from our website www.palstables.com and brought with you to the party. Remember to bring your cameras for unique photo opportunities!

At PAL Stables, our number one concern is safety. Our instructors are horsemen with years of experience. Our horses are seasoned lesson horses that have endless amounts of patience for those who have little or no experience.

Made especially for you by:
